Annual Person of Color Postpartum Doula Skills Workshop Scholarship

NAPS Doulas is working towards creating Social Justice within our organization by dismantling our institutionalized racism and classism. Our end goal is to become a multicultural (Inclusive) organization. One of the many steps towards that end is offering a full scholarship for a NAPS-approved Postpartum Doula Skills Workshop and a one-year membership to NAPS Doulas following completion of the workshop to a person of color.

The guidelines for receiving this scholarship are:

- The applicant must live in the Puget Sound area with the intention of practicing in this area for at least one year after completion of workshop.
- Full scholarship to a NAPS-approved Postpartum Doula Skills Workshop in the Puget Sound area. A list of NAPS-approved workshops will be provided upon award, and include DONA and CAPPA- approved trainings. Simkin Center at Bastyr offers three DONA-approved workshops per year: <http://www.bastyr.edu/simkin-center/postpartum-doula-training>. There may be other workshops offered throughout the Puget Sound area. You can check DONA International's workshops for potential other offerings: http://www.dona.org/develop/find_a_workshop.php
- Training must be completed within one year from date of scholarship award.
- The award funds will be given directly to the institution/person conducting the DONA approved workshop.
- Upon completion of the workshop, a one-year membership to NAPS Doulas will be awarded to the recipient.
- Please state if you have a specific training date in mind.

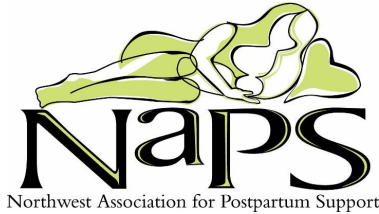

The application may be completed via computer and or by hand:

- **By hand:** If you need a copy mailed to you, please leave a message on our referral line: 206.956.1955 and provide us with your name and address. Then mail your completed copy to:
